A provider's listing in the directory does not ensure that the provider is still working with Amerigroup or taking new members.

The providers in our plan may have changed since this directory was last printed. Some new providers may have joined our plan. And some may have left our plan. To see a current listing of our providers, you can search our online provider directory. Go to **www.myamerigroup.com/TN**. Just click on **Find a Doctor.** This will let you search for doctors, providers and long-term supports and services. You can also call Member Services at **1-866-840-4991**. A representative can help you find a provider.

If you have an emergency, call 911 or go to the nearest emergency room.

El perfil de un proveedor en el directorio no garantiza que el proveedor sigue trabajando con Amerigroup o que está aceptando nuevos miembros.

Los proveedores de nuestro plan pueden haber cambiado desde la última edición de este directorio. Es posible que haya nuevos proveedores en nuestro plan. Y algunos pueden haberse salido. Para ver una lista actualizada de nuestros proveedores, puede consultar nuestro directorio de proveedores en línea. Visite **www.myamerigroup.com/TN**. Simplemente haga clic en **Encontrar un doctor.** Esto le permitirá buscar doctores, proveedores y apoyos y servicios de largo plazo. También puede llamar a Servicios al Miembro al **1-866-840-4991**. Un representante le puede ayudar a encontrar un proveedor.

Si tiene una emergencia, llame al 911 o vaya a la sala de emergencias más cercana.

With Employment and Community First CHOICES, you get a support coordinator. This person will get to know you — what you need and what you want in life.

**Your person-centered support plan**
Your support coordinator will:

- Work with you to see what your needs are and find services to meet your needs

- Check to make sure you're getting what you need, and gaps in services are taken care of right away

**Finding a job that's right for you**
We want to help you find a job that's right for you. We have lots of services that can help you with this process.

**Exploration** — This helps you decide if you want to work and what kind of job you might like. You'll get to tour businesses to find out more about where you might want to work.

**Discovery** — We'll help you find the kinds of work you want to do and what skills you bring to your work. We'll use this to help you make your plan to get a job or start your own business.

**Situational observation and assessment** — You get to try jobs and see what they're like. This will help you know what you need to do to get ready for those jobs.

**Job development plan** — This is a plan to help you meet your job goals. We'll work with you to create this plan.

**Job coaching** — If you need a job coach, we will provide you with one until you're ready to do the job on your own or with the help of your co-workers.

**Co-worker supports** — We can pay a co-worker to help you at your job instead of a job coach.

**Career advancement** — If you already have a job we can help you move up in your job or earn more money.
