

Medication precertification requests

Use our provider self-service website to submit precertification requests for members who need medications considered to be:

- **General pharmacy** — dispensed directly to a member from a pharmacy
- **Medical injectables** — obtained by an office/facility for onsite infusion or administration

This guide:

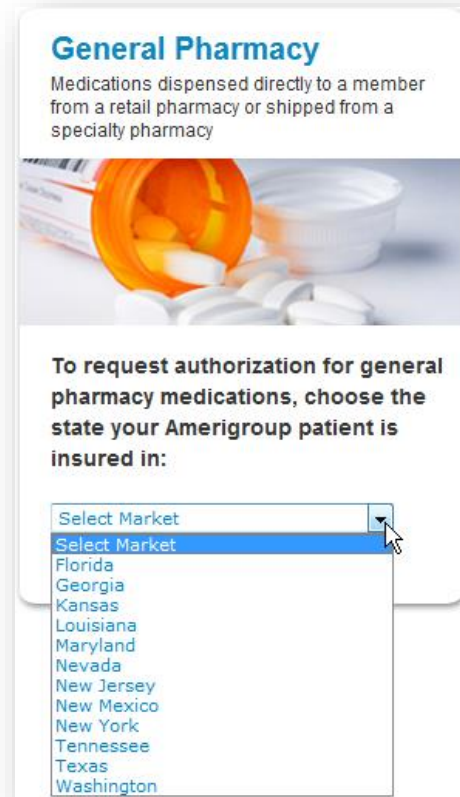

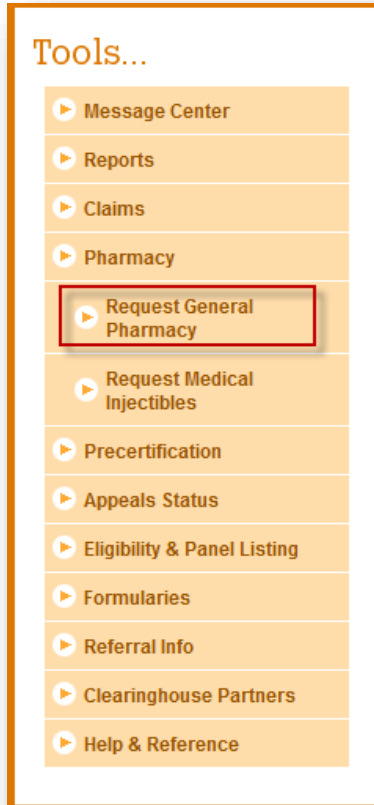

- Gives you step-by-step help to enter a precertification request for general pharmacy and medical injectables.
- Explains what happens after each request is submitted.
- Provides contact information if you need help.

Things to remember

1. A red asterisk indicates a required field.
2. Use the **Previous** and **Next** buttons to navigate between tabs as you enter the required precertification information.
3. If an entry is incorrect, you'll see an error message with instructions.
4. If you can't correct an error, please call Provider Services at 1-800-454-3730 if you're a Medicaid provider or 1-866-805-4589 if you're a Medicare provider.
5. Authorization request date spans cannot begin before the date you enter your request.
6. The precertification request must be for an eligible participant who is an Amerigroup member. You must be logged in to <https://providers.amerigroup.com> and select one of the highlighted menu options shown on the right to follow the steps in this guide.

Request precertification for general pharmacy

1. Navigate to the *Pharmacy Authorizations* page.
2. Select **Request General Pharmacy** from the *Tools* menu on our provider self-service homepage.
3. Select a market from the *Market* menu.

Completing the *Request Info* tab

- Enter information into the *Auth Start Date* and *Auth End Date* fields for the precertification request.
 - The start date will default to the current date and the end date will default to six months from the current date.
 - Select the date field to type the date or select the calendar icon to choose a date.
- Select the **ID Type** drop-down menu and select the specific ID type or **All ID Types**.
- Enter the ID number that corresponds with the ID type selected and select the **Find Member** button.
 - If multiple members are found during the search, select the correct member name from the list.
 - If the member is eligible, the member's information will display.
 - If no members are found, re-enter the information to ensure it was typed accurately or try a different ID type and repeat your search. If you still receive an error message, call Provider Services at 1-800-454-3730 if you're a Medicaid provider or 1-866-805-4589 if you're a Medicare provider.
- Select the **Search By** category under *Drug Code*. Available options are:
 - Drug Code*.
 - Drug Name*.
 - Drug Description*.
