

Amerigroup to conduct post-payment reviews of distinct procedural services modifiers

Amerigroup follows the Centers for Medicare & Medicaid guidelines regarding Modifiers for Distinct Procedural Services.

To help ensure claims are paid accurately, Amerigroup conducts post-payment reviews of Medicare Advantage and Medicare Supplement professional claims billed with Modifiers for Distinct Procedural Services.

As part of these reviews, Amerigroup may contact providers with outlying billing practices to request additional documentation related to the services. If billing discrepancies are identified, Amerigroup will provide a written report of our findings to providers and initiate recoupments as appropriate. Findings may assist your office with quality improvement efforts.
