Multiple and Bilateral Surgery: Professional and Facility Reimbursement

(Policy 06-010, effective 05/01/20)

Amerigroup Medicare Advantage allows reimbursement to professional providers and facilities for multiple and bilateral surgery. Effective May 1, 2020, reimbursement is based on multiple and bilateral procedure rules in accordance with contracts and/or state guidelines for applicable surgical procedures performed on the same day by the same provider to the same patient.

Please visit <https://providers.amerigroup.com> to view the Multiple and Bilateral Surgery reimbursement policy for additional information regarding percentages and reimbursement criteria.
