

## Medicare preferred continuous glucose monitors

On January 1, 2020, Amerigroup will implement a preferred edit on Medicare-eligible continuous glucose monitors (CGMs). Currently, there are two CGM systems covered by CMS under the Medicare Advantage Part D (MAPD) benefit; these are Dexcom and Freestyle Libre. The preferred CGM for Medicare Advantage Part D individual members covered by Amerigroup will be Freestyle Libre. This edit will only affect members who are newly receiving a CGM system. Members will need to obtain their CGM system from a retail or mail order pharmacy – not a durable medical equipment (DME) facility. For Dexcom coverage requests, call **1-833-293-0661**.
