

		<b>Reimbursement Policy</b>
<b>Subject: Abortion (Termination of Pregnancy)</b>		
Effective Date: <b>07/13/20</b>	Committee Approval Obtained: <b>7/13/20</b>	Section: <b>Surgery</b>
<p>***** The most current version of our reimbursement policies can be found on our provider website. If you are using a printed version of this policy, please verify the information by going to <a href="https://providers.amerigroup.com/DC">https://providers.amerigroup.com/DC</a>. *****</p>		
<p>These policies serve as a guide to assist you in accurate claim submissions and to outline the basis for reimbursement if the service is covered by a member's Amerigroup, District of Columbia, Inc. benefit plan. The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member's District of residence. You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with CPT® codes, HCPCS codes and/or revenue codes. The codes denote the services and/or procedures performed. The billed code(s) are required to be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our policies apply to both participating and nonparticipating providers and facilities.</p> <p>If appropriate coding/billing guidelines or current reimbursement policies are not followed, Amerigroup DC may:</p> <ul style="list-style-type: none"> <li>• Reject or deny the claim.</li> <li>• Recover and/or recoup claim payment.</li> </ul> <p>Amerigroup DC reimbursement policies are developed based on nationally accepted industry standards and coding principles. These policies may be superseded by mandates in provider, District, federal or CMS contracts and/or requirements. System logic or setup may prevent the loading of policies into the claims platforms in the same manner as described; however, Amerigroup DC strives to minimize these variations.</p> <p>Amerigroup DC reserves the right to review and revise our policies periodically when necessary. When there is an update, we will publish the most current policy to this site.</p>		
<b>Policy</b>	<p>Amerigroup DC allows reimbursement of induced abortions unless provider, District, federal or CMS contracts and/or requirements indicate otherwise.</p> <p>Induced abortions are allowed only when the written voluntary and informed consent has been obtained from the woman upon whom the abortion is to be performed and the provider performing the procedure certifies:</p>	

	<ul style="list-style-type: none"> <li>• The pregnancy is the result of an act of rape or incest.</li> <li>• The woman suffers from a physical disorder, injury or illness, including a life-endangering physical condition caused by or arising from the pregnancy itself that would, as certified by a physician, place the woman in danger of death unless an abortion is performed.</li> </ul> <p>Reimbursement is based on the applicable fee schedule or contracted/negotiated rate when the state-approved Certification of Medical Necessity abortion form and documentation is properly executed and submitted with the provider’s claim.</p> <p>Informed consent is not needed for the treatment of incomplete, missed or septic abortions. These procedures are not considered induced or elective abortions and are allowed under the criteria of medical necessity.</p>
