

Healthcare Quality Patient Assessment Form and Patient Assessment Form

Amerigroup offers the *Healthcare Quality Patient Assessment Form (HQPAF)/Patient Assessment Form (PAF)*. This newsletter focuses on key tips that may help participating providers successfully close out their 2019 *HQPAF/PAF*.

Dates and tips to remember:

1. Amerigroup encourages you to review your patient population as soon as possible. You can help patients schedule an in-office visit. These appointments help the patient manage chronic conditions, which impact the health status of the patient.
2. At the conclusion of each office visit with the patient, providers who are participating in the *HQPAF/PAF* program are asked to complete and return a *HQPAF/PAF*. The form should be completed based on information collected during the visit. Participating providers may continue to use the 2019 version of the *HQPAF/PAF* for encounters taking place on or before December 31, 2019. Amerigroup will accept the 2019 version of the *HQPAF/PAF* for 2019 encounters until midnight on January 31, 2020. Important note: *HQPAF/PAF* for 2019 dates of service that are rejected due to provider error and corrected by the provider may be submitted through March 31, 2020.
3. **If not already submitted, participating providers are required to submit** an [Account Setup Form \(ASF\)](#), W9 and a completed [direct deposit enrollment](#) by March 31, 2020. Participating providers should call 1-877-751-9207 if they have questions regarding this requirement. Failure by a participating provider to comply with this requirement will result in forfeiture of the provider payment for submitted 2019 *HQPAF/PAF* program, if applicable.

If you have any questions about the PAF or HQPAF programs, please call 1-877-751-9207 from 9:30 a.m. to 7:30 p.m. Eastern time, Monday to Friday.
