A provider's listing in the directory does not ensure that the provider is still working with Amerigroup or taking new members.

The providers in our plan may have changed since this directory was last printed. Some new providers may have joined our plan. And some may have left our plan. To see a current listing of our providers, you can search our online provider directory. Go to **www.myamerigroup.com/TN**. Just click on **Find a Doctor**. This will let you search for doctors, providers and long-term supports and services. You can also call Member Services at **1-866-840-4991**. A representative can help you find a provider.

If you have an emergency, call 911 or go to the nearest emergency room.

El perfil de un proveedor en el directorio no garantiza que el proveedor sigue trabajando con Amerigroup o que está aceptando nuevos miembros.

Los proveedores de nuestro plan pueden haber cambiado desde la última edición de este directorio. Es posible que haya nuevos proveedores en nuestro plan. Y algunos pueden haberse salido. Para ver una lista actualizada de nuestros proveedores, puede consultar nuestro directorio de proveedores en línea. Visite **www.myamerigroup.com/TN**. Simplemente haga clic en **Encontrar un doctor**. Esto le permitirá buscar doctores, proveedores y apoyos y servicios de largo plazo. También puede llamar a Servicios al Miembro al **1-866-840-4991**. Un representante le puede ayudar a encontrar un proveedor.

Si tiene una emergencia, llame al 911 o vaya a la sala de emergencias más cercana.

You and your support coordinator

With Employment and Community First CHOICES, you get a support coordinator. This person will get to know you — what you need and what you want in life.

Your person-centered support plan

Your support coordinator will:

- Work with you to see what your needs are and find services to meet your needs
- Work with you to make your plan
- Invite the friends or family members who you want to help you create your plan
- Look at your plan at least once a year and see if you need any changes

The right services

Your support coordinator will:

- Help you meet your self-identified quality of life goals

- Work with you to get the right kind of care to help you live the life you want
- Help solve issues you have with your services
- Make sure the services you're getting are right for you
- Talk with your providers to make sure they know what's going on with your services
- Check to make sure you're getting what you need, and gaps in services are taken care of right away

Finding a job that's right for you

We want to help you find a job that's right for you. We have lots of services that can help you with this process.

Exploration — This helps you decide if you want to work and what kind of job you might like. You'll get to tour businesses to find out more about where you might want to work.

Discovery — We'll help you find the kinds of work you want to do and what skills you bring to your work. We'll use this to help you make your plan to get a job or start your own business.

Situational observation and assessment — You get to try jobs and see what they're like. This will help you know what you need to do to get ready for those jobs.

Job development plan — This is a plan to help you meet your job goals. We'll work with you to create this plan.

Self-employment start-up — Some members choose to be self-employed (work for themselves). If this is what you want to do we will work with you to create a self-employment plan.

Job coaching — If you need a job coach, we will provide you with one until you're ready to do the job on your own or with the help of your co-workers.

Co-worker supports — We can pay a co-worker to help you at your job instead of a job coach.

Career advancement — If you already have a job we can help you move up in your job or earn more money.

Small group supported employment — This is a job where you can work in a small team within a company.

Benefits counseling — We can help you understand how the money you earn from working will impact your other benefits like Social Security and TennCare.

Integrated employment path services — These are trainings to help you get ready for work in the community. This will help you when you're looking for a job.

You'll also get services like:

- Trainings to help learn new things so you can live on your own
- Rides to your services, job interviews, work and other places in the community
- Classes, volunteer activities and more to help you get and stay involved in the community

Long-term services and supports

- Personal assistance — helping you with day-to-day tasks like getting dressed, eating and more
- Supportive home care — helping you with day-to-day tasks in your home or community
- Family caregiver stipend — instead of getting supportive home care, your family

can get a monthly sum of money to offset the cost of other services

- Assistive technology, adaptive equipment and supplies — items to help you live more independently at home or in your community
- Specialized consultation and training — we'll help pay for special training and assistance such as occupational therapy, physical therapy and behavioral analysis
- Family caregiver education and training — we'll also pay for trainings and classes for your family caregivers to help them
- Adult dental services
- Family-to-family support — connecting with other families who are also supporting a family member with an intellectual or developmental disability
- Peer-to-peer support — help and advice from another person with disabilities who has training to help you and can answer your questions
- Community Support Development, Organization and Navigation — connecting to resources to make friends and build a support system
- Conservatorship and alternatives to conservatorship counseling and assistance — we can help you understand the options you have to protect your rights while getting the support you need

*Not all services are available for every Group. See your member handbook for a full list of benefits. Questions? Call Member Services at 1-866-840-4991 (TRS 711) or talk with your support coordinator.
