

December [TBD], 2013

Dear Provider:

Thank you for participating in the Amerivantage (Medicare Advantage) provider network. This year marks our fourth year providing health care services to elderly and disabled populations in Texas.

About Our Amerivantage Plans:

We provide health care services to Medicare beneficiaries who are entitled to Part A and enrolled in Part B. Amerivantage refers to the Medicare Advantage Special Needs Plan (SNP) and Medicare Advantage Prescription Drug (MA-PD) plans we offer. All of our plans include Medicare Part D prescription drug coverage, as well as supplemental benefits covering other health care services. Our SNP plan (described below) has additional eligibility requirements.

We offer the Amerivantage Specialty + Rx plan to beneficiaries who are eligible for both Medicare and Medicaid benefits (dual eligibles) and enrolled in the following Medicare Savings Programs: Specified Low-Income Medicare Beneficiary Plus, Qualified Medicare Beneficiaries (QMB), and QMB Plus. We also offer the Amerivantage Classic + Rx plan, which includes copays for most services.

Dallas/Fort Worth Counties Where Amerivantage Is Offered:

We offer Amerivantage plans in Denton and Tarrant Counties.

2014 Medicare Enrollment Process:

- The Medicare Annual Enrollment Period (AEP) begins October 15 and ends December 7 of each year.
- The Medicare Advantage Disenrollment Period (MADP) begins January 1 and ends February 14 of each year. During the MADP, Medicare beneficiaries have the opportunity to disenroll from any Medicare Advantage plan and return to original Medicare and/or enroll in a stand-alone prescription drug plan (not offered by Amerigroup).
- The Initial Coverage Election Period: When a person first becomes eligible for Medicare hospital insurance (Part A) and medical insurance (Part B), he or she has a seven-month period to enroll in a Medicare Advantage plan. This usually happens around the person's 65th birthday.
- Special Election Period: The Centers for Medicare & Medicaid Services (CMS) identifies several circumstances when a person may change Medicare options outside of the annual or initial enrollment periods. For example, dual-eligible members can enroll in or disenroll from a Medicare Advantage plan at any time throughout the year.
- Special Needs Plan (SNP) enrollees may change Medicare Advantage plans at any time during the year with changes effective the first of the following month, subject to CMS approval.

Cost Sharing:

- In Texas, we partner with the state to cover all Medicare cost-share amounts for services covered under the state SNP agreement. Cost sharing for covered services will be paid automatically in our system, so you do not have to bill the state. Please refer to the Explanation of Payment for all claims processed.
- You may not collect any additional payment from Amerivantage plan members other than those cost-sharing amounts specified in the members' plan Summary of Benefits.
- For dual-eligible members, you may only collect amounts permitted by the state Medicaid program or federal law.
- For dual-eligible members, federal law requires you to bill only the members' health plan or the state Medicaid agency for copayments or other cost-sharing amounts.
