EVV Training Sessions March 12-13 in Austin for Current Program Providers

Texas Health and Human Services Commission (HHSC) and Texas Medicaid & Healthcare Partnership (TMHP) are hosting instructor-led Electronic Visit Verification (EVV) policy and EVV Portal training sessions for program providers currently required to use EVV. EVV vendors from the state vendor pool will be on site and a Q&A session with HHSC, TMHP, EVV vendors, and managed care organizations (MCOs) is included.

More details and registration for the [EVV Training – Current Program Providers Only](#) is available in the HHS Learning Portal.
