

STAR Kids Clinical and Administrative Advisory Committees

The Amerigroup Clinical and Administrative Advisory Committees (CAACs) meet quarterly via phone and web. Amerigroup has five CAACs, one for each of our STAR Kids markets. The CAACs are composed of participating Amerigroup providers of various types such as:

- Primary care.
- Specialty care.
- Behavioral health.
- Home and community support services.
- Therapy.
- Durable medical equipment and supplies.
- Pharmacy.

The CAACs offer a forum for Amerigroup providers to have ongoing input into STAR Kids activities. We welcome and encourage our contracted providers to participate.

All meetings are held from noon-1 p.m. local market time.

List of future meetings:

Dallas	El Paso	Harris	Lubbock	MRSA West
