

## Hurricane Laura information for Medicaid providers

Texas providers rendering services to evacuees from Louisiana due to Hurricane Laura may complete the *Hurricane Emergency Expedited Application* with Louisiana Medicaid to receive reimbursement for services rendered to Louisiana Medicaid clients for the fee-for-service program.

Providers rendering care to a Louisiana managed care enrollee will need to contact the client's managed care organization (MCO) to be reimbursed for services provided. Refer to the Healthy Louisiana [Hurricane Laura Provider Assistance Frequently Asked Questions \(FAQ\)](#) for MCO credentialing contact information. Answers 1, 2 and 11 of the FAQ are specific to enrollment and eligibility verification.
