

Specialty Pharmacy Precertification List

Effective for dates of service on and after February 15, 2020, the following specialty Part B devices will be included in our precertification review process.

Federal and state law, as well as state contract language and CMS guidelines, including definitions and specific contract provisions/exclusions take precedence over these precertification rules and must be considered first when determining coverage. Noncompliance with new requirements may result in denied claims.

HCPCS or CPT® code(s)	Part B devices
J7331	Synjojoynt™
J7332	Triluron™
