

Prior authorization updates for specialty pharmacy are available

Effective for dates of service on and after February 1, 2021, the following specialty pharmacy codes from current or new clinical criteria documents will be included in our precertification review process.

Please note: Inclusion of National Drug Code (NDC) on your claim will help expedite claim processing of drugs billed with a Not Otherwise Classified (NOC) code.

To access the clinical criteria document information please select [here](#).

Clinical Criteria	HCPCS or CPT Code(s)	Drug
<i>ING-CC-0137</i>	C9047	Cablivi
