

Texas Medicare: IntegraNet, Gonzaba, Prospect and Great States Health independent physician association collaboration

Effective August 1, 2019, Amerigroup Texas, Inc. is entering into new provider collaboration agreements with these independent physician associations (IPAs):

- IntegraNet (iNet)
- Prospect
- Great States Health.

Effective September 1, 2019 Amerigroup will also be entering into a new provider collaboration agreement with Gonzaba. These new agreements align value-based incentives between the plan and the provider to most effectively deliver the highest possible quality care to our Amerigroup Amerivantage members in Texas. These IPAs will be delegated for Part A and B services to process claims and make utilization management (UM) decisions.

IPA service counties:

- **iNet:** Bexar, Brazoria, Collin, Collin/Allen, Dallas, Denton, Ft. Bend, Galveston, Grayson, Harris, Hood, Jefferson, Kaufman, Lamar, Liberty, Montgomery, Polk, Tarrant, Walker, Waller and Wise
- **Gonzaba:** Bexar
- **Prospect:** Bexar
- **Great States Health:** Bailey, Briscoe, Castro, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Motley, Swisher and Terry

Members that are affiliated with these IPAs will receive new Amerigroup ID cards with the following information included: Member information, PCP name, IPAs group name, claims address, and phone numbers to call for authorization of services.

If you are servicing Amerigroup members enrolled in Medicare in any of the counties listed above, please ensure effective August 1, 2019, you are verifying the member's ID card for a relationship with the IPA. If you are not currently contracted with the IPA, please contact the group directly to ensure you can continue to service Amerigroup members affiliated with the IPA.
