

Amerigroup STAR+PLUS MMP (Medicare-Medicaid Plan) expands specialty pharmacy precertification list

Summary of change: Effective for dates of service on and after April 1, 2021, the specialty Medicare Part B drugs listed in the table below will be included in our precertification review process.

Federal and state law, state contract language, and CMS guidelines (including definitions and specific contract provisions/exclusions) take precedence over these precertification rules and must be considered first when determining coverage. Noncompliance with new requirements may result in denied claims.

HCPCS or CPT® code	Medicare Part B drugs
J9999	Blenrep
J3490, J3590, J9999	Monjuvi
