

Amerigroup expands specialty pharmacy precertification list

Effective for dates of service on and after February 1, 2021, the specialty Medicare Part B drugs listed in the table below will be included in our precertification review process.

HCPCS or CPT® code	Medicare Part B drugs
J3490, J9999, C9399	Jelmyto
J3490, J3590, J9999, C9399	Trodelvy

Federal and state law, as well as state contract language and CMS guidelines, including definitions and specific contract provisions/exclusions, take precedence over these precertification rules and must be considered first when determining coverage. Noncompliance with new requirements may result in denied claims.
