

## Reimbursement Policy Provider Newsletter Article

### Modifier FX and Reimbursement Policy Update

CMS has added a new Modifier FX, used to indicate X-rays that are taken using film. Reimbursement will be subject to a 20 percent reduction of the applicable fee schedule and/or contracted/negotiate rate. Amerigroup STAR+PLUS (Medicare-Medicaid Plan) will begin following CMS Modifier FX reimbursement guidelines effective September 15, 2017.

Modifier FX (X-ray taken using film) has been added to our reimbursement modifiers list. This modifier is applicable to Amerigroup STAR+PLUS MMP only. For additional information, refer to Modifier Usage Reimbursement Policy (Exhibit A) at <https://providers.amerigroup.com> > Quick Tools > Reimbursement Policies > TX MMP.
