

Expansion of specialty pharmacy precertification list

Summary of change: Effective for dates of service on and after September 1, 2020, the specialty Medicare Part B drug listed in the table below will be included in the Amerigroup STAR+PLUS MMP (Medicare-Medicaid Plan) precertification review process.

Federal and state law, as well as state contract language and CMS guidelines, including definitions and specific contract provisions/exclusions, take precedence over these precertification rules and must be considered first when determining coverage. Noncompliance with new requirements may result in denied claims.

HCPCS or CPT® code	Medicare Part B drugs
C9399, J3490, J3590, J9999	Sarclisa®
J2354	Bynfezia®

If you need assistance with this communication or any other matter, please contact Provider Services at **1-855-878-1785**.
