PA of benefits is not the practice of medicine or the substitute for the independent medical judgment of a treating physician. Only a treating physician can determine what medications are appropriate for a patient. Please refer to the applicable plan for the detailed information regarding benefits, conditions, limitations and exclusions. The submitting provider certifies that the information provided is true, accurate and complete and the requested services are medically indicated and necessary to the health of the patient.

Note: Payment is subject to member eligibility. Authorization does not guarantee payment.

Important note: You are not permitted to use or disclose Protected Health Information about individuals who you are not treating or are not enrolled to your practice. This applies to Protected Health Information accessible in any online tool, sent in any medium including mail, email, fax or other electronic transmission.
