

## Electronic data interchange, electronic remittance advice and electronic funds transfer

**Summary of change:** Amerigroup has transitioned into a strategic relationship with Availity to serve as our electronic data interchange (EDI) partner for all electronic data and transactions.

Effective September 1, 2018, providers, billing services and clearinghouses new to the EDI space/arena can register to exchange 27x self-service and 837 claims electronic transactions with Amerigroup at <https://www.availity.com>.

### Electronic funds transfer (EFT) registration

To register or manage account changes for EFTs only, use the EnrollHub™, a CAQH Solution™ enrollment tool, a secure EFT registration platform.

This tool eliminates the need for paper registration, reduces administrative time and costs, and allows you to register with multiple payers at one time.

If you were previously registered to receive EFT only, you must register using EnrollHub to manage account changes. No other action is needed.

### Electronic remittance advice (ERA) registration

Please use Availity (<https://www.availity.com>) to register and manage account changes for ERA.

If you were previously registered to receive ERA, no other action is needed.

Manage suppression (turn off) paper remittance vouchers are located at <https://anthem-int.columncloud.com/SR/paperSuppressionSR.jsp>.
