## **Welcome to Amerigroup District of Columbia, Inc.**

We're a health plan selected by the District of Columbia to offer benefits under the District of Columbia Healthy Families Program (DCHFP), Alliance, and Immigrant's Children Program (ICP). For years, we've been helping millions of people get the healthcare they need. Now, we want to help **you and your family** get the most out of these great programs.

### **Healthcare made simple**

With Amerigroup, you get all your regular Medicaid benefits like:

- Inpatient and outpatient hospital visits
- Preventive care
- Prescription drugs
- Dental services (limitations may apply)
- Vision care (DCHFP and ICP enrollees only)
- Substance use disorder help
- Mental health services

### **Plus extra benefits — without the extra cost:**

- \$25 in Metro cards each year to help you get services and resources in the community or drop off and pick up prescriptions when you need to
- Free Boys & Girls Club memberships
- Benefits to keep you connected:
  - Free data, talk and text for:
    - Calls to and from Member Services
    - Health tips and reminders
    - Mobile health coaching programs to help manage conditions like diabetes or quit smoking
- Rides to community services, including:
  - Lamaze or birthing classes, fitness centers, job interviews, and more
  - \$15 every three months to purchase over-the-counter products
  - GED Assistance program — we'll cover the cost so you can take the GED test for free
  - myStrength — a mental health and well-being app
  - Amerigroup Community Resource Link — your online resource to free and low-cost services in your community

### **Join the health plan focused on caring for you.**

Whether you're enrolled in DCHFP, Alliance, or ICP, we're here to help you make the most of your benefits and services. It's our way of thanking you for being our enrollee.

Connect with us online or on your smartphone.

- Our enrollee website has:
  - Your enrollee handbook and extra benefits information
  - Amerigroup Community Resource Link to help you find community services near you
  - Health A to Z, with information on hundreds of health topics, a symptom checker, and other tools
  - Fast, convenient online services when you register for secure access, like changing your mailing address, choosing, or changing your primary care provider (PCP), completing your initial health screener, and more

- Amerigroup Mobile, a smartphone app, lets you:
  - Access your enrollee ID card and send it to your doctor
  - Find doctors in our network

**Supporting cultural competency:** Amerigroup enrollees come from diverse cultures. We encourage our providers to become culturally proficient. This helps provide healthcare based on your cultural background. Look for the globe icon (🌐) in this directory to find a provider who has completed cultural competency training and can help meet your unique needs.

**Find your providers in this directory or online at [www.myamerigroup.com/DC](http://www.myamerigroup.com/DC).** We have a full network of:

- Practitioners.
- Specialists.
- Clinics.
- Hospitals.
- Pharmacies.
- Dental providers.
- Vision providers.
- Transportation providers.
- Behavioral health providers.

Many of these providers are nearby or in neighboring areas, and we're adding more every day. We also have relationships with local healthcare and community-based groups.

For most services, you'll need to see doctors and use other providers in your plan. This directory lists these providers. If you don't see your provider's name, you can use our fast, convenient provider directory online at [www.myamerigroup.com/DC](http://www.myamerigroup.com/DC) or call our Member Services team at **800-600-4441 (TTY 711)** to see if he or she has been added to your plan. You can also call Member Services to get information about your Amerigroup providers or other providers in your plan.

**Choose your PCP and primary dental provider (PDP):**

- From the list in this directory.
- Online at [www.myamerigroup.com/DC](http://www.myamerigroup.com/DC).

Your PCP and PDP will:

- Give you all the basic health and dental services you need.
- Send you to other doctors or hospitals when you need special healthcare.

**Get certain OB/GYN services without a referral**

You can see an Amerigroup OB/GYN without a referral from your PCP for services like:

- Well-woman visits.
- Care related to pregnancy.
- Care for any female medical condition.
- Family planning.
- Referral to a special provider within the network.

And you may be able to choose an OB/GYN as your PCP. Call Member Services at **800-600-4441 (TTY 711)** with the name of the OB/GYN you want as your PCP.

### **Help keep your kids healthy**

Wellness visits are medical checkups that help children stay healthy. Babies and children need more care to get a good start in life. These visits also help doctors find health problems early when it's easiest to take care of them. During a wellness visit, your provider may do:

- Height/weight checks.
- Immunizations (shots).
- Tests for TB, lead and other health problems.
- Eye and ear tests.
- Physical exams.
- Nutrition reviews.
- Tips about safety and health.

Children under age 21 can get wellness visits from any Amerigroup plan provider. Your child doesn't need a referral for these visits. If you need help finding a PCP for your child:

- Visit our website at **[www.myamerigroup.com/DC](http://www.myamerigroup.com/DC)** for the most up-to-date list of doctors — we're adding doctors to our plan every day.
- Call Member Services at **800-600-4441 (TTY 711)**.

### **Get covered services when you need them**

Always carry your Amerigroup ID card with you. Your Amerigroup ID card can be used to get services covered by the DCHFP, Alliance, and ICP programs.

Your Amerigroup ID card tells doctors and hospitals:

- You're a enrollee of our health plan
- We'll pay for covered benefits that are medically needed
- Lists your PCP's and PDP's name and phone number.

You may need prior approval from Amerigroup for some covered services. Your doctor will help you ask for prior approval if it's needed.

Call Member Services at **800-600-4441 (TTY 711)**. We'll help you with your needs or connect you with your care coordinator. To find out more about your benefits and services, visit us online at **[www.myamerigroup.com/DC](http://www.myamerigroup.com/DC)**.

We also offer a Nurse HelpLine to help answer questions about your health. You may speak to a nurse 24 hours a day, 7 days a week by contacting our 24-hour Nurse HelpLine at **800-600-4441 (TTY 711)**.

### **Want to check out some of the things we've told you about?**

Visit us online or call our Member Services team.

- **[www.myamerigroup.com/DC](http://www.myamerigroup.com/DC)**
- **800-600-4441 (TTY 711)** We're just a click or call away.

### **District of Columbia Health Homes**

DCAGP-CD-018888-23

A Health Home is an added Medicaid benefit created to help you manage all your health — physical, mental, and social.

My DC Health Home offers a care team to work with you, your doctors, family, and any others you choose to help manage your health and social service needs.

For enrollees with multiple chronic conditions, help arranging care and services is offered through **My Health GPS**.

**With My DC Health Home and My Health**

**GPS**, you'll get help:

- Managing your care, including a care plan to support your health and social needs.
- Arranging care, like setting up doctor visits and rides to get there.
- Learning what to do to keep in good health, such as quitting smoking and cooking with fresh foods.
- Finding community and social support services that can help keep you healthy.

These services are free. To find out more, call the DC Access **helpline** at **888-7WE-HELP (888-793-4357)** 24 hours a day, 7 days a week.

Check with your PCP to see if they have an after-hours phone service or urgent care appointment slots. It is important for your doctor to know if you are sick. If you are unable to reach your PCP's office, Amerigroup has an available 24 hour Nurse Line. After normal office hours, even on weekends and holidays, Amerigroup can help members find care, make appointments or locate urgent care centers/clinics. Call the Nurse Help Line number on the back of your card. Amerigroup also contracts with many urgent care centers. The centers and physicians listed in this section are available to provide urgent care when your primary care physician is unavailable. After hours care is available at physician offices listed below Monday through Friday before 8:00 a.m. and after 5:30 p.m., and on weekends and holidays.
