# COVID-19 Vaccines and Administration

**Effective Date** 11/22/2021

**Sent Date** 11/22/2021

**Dear Medicaid and PeachCare for Kids Providers:**

All providers billing the Department of Community Health Georgia Medicaid Program for COVID-19 vaccine administration **must submit each claim with the vaccine code along with the appropriate vaccine administration code** identified in the table below. The vaccine date of service must adhere to the frequency of administration to ensure billing is in accordance with the dose being given to the member.

Providers who do not follow this guideline may be subjected to recoupment.
