

Clinical Guidance for Treating Pregnant and Parenting Women With Opioid Use Disorder and Their Infants

In February 2018, the Substance Abuse and Mental Health Services Administration (SAMHSA) released *Clinical Guidance for Treating Pregnant and Parenting Women With Opioid Use Disorder and Their Infants*. The comprehensive guidance consists of 16 fact sheets on prenatal, infant and maternal postnatal care. The guide contains four elements:

- Clinical scenarios
- Clinical action steps
- Supporting evidence and clinical considerations
- Internet resources

Clinical Guidance for Treating Pregnant and Parenting Women With Opioid Use Disorder and Their Infants is available at no cost online. Download the guide from the SAMHSA store at <https://store.samhsa.gov/product/SMA18-5054>.
