Medicare's Limited Income NET Program

administered by Humana®

TIPS FOR PHARMACY PROVIDERS

About Medicare's Limited Income NET Program

The Centers for Medicare & Medicaid Services (CMS) created this program to provide:

- 1. Point-of-sale prescription drug coverage** for individuals with Medicare's Low-Income Subsidy (LIS, also called "Extra Help") who are not yet enrolled in a Medicare Part D prescription drug plan.
- 2. Retroactive prescription drug coverage** for new "dual eligibles" — those individuals who are newly eligible for both Medicare and Medicaid, or Medicare and Supplemental Security Income (SSI).

Temporary coverage

All enrollees are **temporarily** covered by Medicare's Limited Income NET Program until CMS enrolls them in a standalone Medicare Part D prescription drug plan.

Note:

Use the 4Rx data on the temporary card provided in the patient's enrollment confirmation letter for Medicare's Limited Income NET Program.

If the patient does not have an enrollment confirmation letter for Medicare's Limited Income NET Program, follow the "Four steps for Pharmacy Providers" shown at right.

Four steps for pharmacy providers

1. Request plan ID card

If the patient has a Medicare Part D plan ID card or a Medicare Part D plan letter with 4Rx data, submit claims to the Part D payer. *If not, go to step 2.*

2. Submit an E1 transaction

- Submit a query to Medicare's online eligibility query system.
- If the E1 query returns BIN/PCN, submit the claim to that Medicare Part D plan.
 - If the E1 query returns a Contract ID and help desk numbers, contact that Medicare Part D plan for the 4Rx data.
 - If the E1 query returns a telephone number for Contract ID "X0001," the patient is enrolled in the Medicare's Limited Income Net Program. Use the 4Rx data located in this brochure's Quick Reference Guide. *If the query does not return plan enrollment, go to step 3.*

3. Verify eligibility for Medicare and either Medicaid or Low-Income Subsidy (LIS)

If the patient cannot provide proof of eligibility, don't submit the claim. Refer the patient to his or her State Health Insurance Assistance Program (SHIP). *If the patient is eligible for Medicare's Limited Income NET Program, go to step 4.*

4. Submit claim

Enter claim using the 4Rx data found in this brochure's Quick Reference Guide. For more information, see the program payer sheet: www.humana.com/linet
