

COVID-19 information from Amerigroup Iowa, Inc. (June 2021 update)

Updated to add information about vaccine reimbursement

Amerigroup is closely monitoring COVID-19 developments and how they will impact our customers and our healthcare provider partners. Our clinical team is actively monitoring external queries and reports from the Centers for Disease Control and Prevention (CDC) to help us determine what action is necessary on our part. We will continue to follow all state guidance.

Summary

COVID-19 testing and visits associated with COVID-19 testing

As always for Amerigroup members, there will be no cost sharing associated with COVID-19 testing. Test samples may be obtained in many settings including a doctor's office, urgent care, ER or even drive-through testing once available. While a test sample cannot be obtained through a telehealth visit, the telehealth provider can connect members with testing options.

Telehealth (video+ audio):

As always for Amerigroup members, there will be no cost sharing for telehealth visits, including visits for mental health or substance use disorders.

Telephonic-only care

Effective from March 19, 2020, through July 31, 2021, Amerigroup will cover telephonic-only visits with in-network providers.

Out-of-network coverage will be provided where required. This includes covered visits for mental health or substance use disorders and medical.

Exceptions include chiropractic services and physical, occupational, and speech therapies, and any services which require physical contact with the patient. These services require face-to-face interaction and therefore are not appropriate for telephone-only consultations.

Prescription coverage

Amerigroup is also providing coverage for members to have an extra 30-day supply of medication on hand. We are encouraging that when member plans allow they switch from 30-day home delivery to 90-day home delivery.

* LiveHealth Online is an independent company providing telehealth services on behalf of Amerigroup Iowa, Inc.

Frequently asked questions

Actions taken by Amerigroup

What is Amerigroup doing to prepare?

Amerigroup is committed to help provide increased access to care to help alleviate the added stress on individuals, families and the nation's healthcare system.

These actions are intended to support the protective measures taken across the country to help prevent the spread of COVID-19 and are central to our commitment to remove barriers and support communities through this unprecedented time.

Amerigroup is committed to help our members gain timely access to care and services in a way that places the least burden on the healthcare system. Our actions should reduce barriers to seeing a doctor, getting tested and maintaining adherence to medications for long-term health issues.

How is Amerigroup monitoring COVID-19?

Amerigroup is monitoring COVID-19 developments and what they mean for our associates and those we serve. We are fielding questions about the outbreak from our customers, members, providers and associates. Additionally, our clinical team is actively monitoring external queries and reports from the CDC to help us determine what, if any, action is necessary on our part to further support our stakeholders.

Amerigroup has a business continuity plan for serious communicable disease outbreaks, inclusive of pandemics, and will be ready to deploy the plan if necessary.

Our enterprise-wide business continuity program includes recovery strategies for critical processes and supporting resources, automated 24/7 situational awareness monitoring for our footprint and critical support points, and the Virtual Command Center for Emergency Management command, control and communication.

In addition, Amerigroup has established a team of experts to monitor, assess and help facilitate timely mitigation and response where it has influence as appropriate for the evolving novel coronavirus threat.

In case of mass epidemic, how can you ensure that your contracted providers can still provide services?

Amerigroup is committed to working with and supporting its contracted providers. Our benefits already state that if members do not have appropriate access to network doctors we will authorize coverage for out-of-network doctors as medically necessary.

In addition, Amerigroup's telehealth provider, [LiveHealth Online](#),* is another safe and effective way for members to see a doctor to receive health guidance related to COVID-19 from their home via mobile device or a computer with a webcam.

COVID-19 testing

Will Amerigroup cover COVID-19 testing and visits associated with COVID-19 testing?

Yes. As always for Amerigroup members, there will be no cost shares for the COVID-19 test and associated visits. Test samples may be obtained in many settings including a doctor's office, urgent care, ER or even drive-through testing once available. While a test sample cannot be obtained through a telehealth visit, the telehealth provider can connect members with testing.

How is Amerigroup reimbursing participating hospitals that perform COVID-19 diagnostic testing in an emergency room or inpatient setting?

Reimbursement for COVID-19 testing performed in a participating hospital emergency room or inpatient setting is based on existing contractual rates inclusive of member cost share amounts waived by Amerigroup for COVID-19 test and visits to get the COVID-19 test.

How is Amerigroup reimbursing participating hospitals which are performing COVID-19 diagnostic testing in a drive thru testing setting?

Based on standard American Medical Association (AMA) and HCPCS coding guidelines, for participating hospitals with a lab fee schedule, Amerigroup will recognize the codes 87635 and U0002, and will reimburse drive-through COVID-19 tests according to the lab fee schedule inclusive of member cost-share amounts waived by Amerigroup. Participating hospitals without lab fee schedules will follow the same lab testing reimbursement as defined in their facility agreement with Amerigroup inclusive of member cost share amounts waived by Amerigroup.

Does Amerigroup require a prior authorization on the focused test used to diagnose COVID-19?

No, prior authorization is not required for diagnostic services related to COVID-19 testing.

Does Amerigroup require use of a contracted provider for the COVID-19 lab test in order for waiver of the member's cost share to apply?

Amerigroup will waive member cost shares for COVID-19 lab tests performed by participating and nonparticipating providers.

What modifier is appropriate to waive member cost sharing for COVID-19 testing and visits related to testing?

CMS has provided the guideline to use the CS modifier: <https://www.cms.gov/outreach-and-education/outreachffsprovpartprogprovider-partnership-email-archive/2020-04-10-mlnc-se>. Amerigroup looks for the CS modifier to identify claims related to evaluation for COVID-19 testing. This modifier should be used for evaluation and testing services in any place of service.

COVID-19 vaccine

How is Amerigroup reimbursing FDA-Approved COVID-19 Vaccines?

The cost of COVID-19 FDA-approved vaccines will initially be paid for by the government. Amerigroup will cover the administration of COVID-19 vaccines with no cost share for in- and out-of-network providers, during the national public health emergency, and providers are not permitted under the federal mandate to balance-bill members.

Medicaid state-specific rate and other state regulations may apply.

Virtual, telehealth and telephonic care

Will Amerigroup cover telephone-only services in addition to telehealth via video + audio?

Amerigroup now covers telephone-only services to reflect the concerns we have heard from providers about the need to support continuity of care for members during extended periods of social distancing. We will continue this coverage until the end date of the federal pandemic health emergency, currently set to expire on July 31, 2021,

Is the Amerigroup vendor, LiveHealth Online, prepared for the number of visits that will increase to telehealth?

As there is a heightened awareness of COVID-19 and more cases are being diagnosed in the United States, LiveHealth Online is increasing physician availability and stands ready to have doctors available to see the increase in patients, while maintaining reasonable wait times.

What codes would be appropriate to consider for a telehealth visit with a patient who wants to receive health guidance related to COVID-19?

Submit telehealth with the CPT code for the service rendered, place of service (POS) 02, and append either modifier 95 or GT.

Effective March 13, 2020, until the end date of the federal pandemic health emergency, currently set to expire on July 31, 2021, the site of service differential (see IL 1815) with the place of service 02 will not be applied to telehealth claims during the COVID-19 public health emergency.

What codes would be appropriate to consider for telehealth (audio and video) for physical, occupational, and speech therapies?

Effective March 17, 2020, until the end date of the federal pandemic health emergency, currently set to expire on April 20, 2021, Amerigroup will cover telehealth visits for the following physical, occupational and speech therapies for visits coded with Place of Service (POS) 02 and modifier 95 or GT:

- Physical therapy (PT) evaluation codes 97161, 97162, 97163, and 97164
