Green and Healthy Homes Initiative 2021

Please join Amerigroup Community Care along with Green and Healthy Homes Initiative (GHHI) for a learning collaborative webinar designed specifically for network providers and medical directors. GHHI is dedicated to addressing the social determinants of health and the advancement of racial and health equity through the creation of healthy, safe and energy-efficient homes. During this one-hour session, GHHI will present their asthma program offerings to meet the needs of pediatric patients in the Baltimore area. Participants who attend the training will be awarded one continuing medical education unit.

Wednesday, April 7, 2021

12 p.m. to 1 p.m.
