

Medicaid enrollment reminder

The *21st Century Cures Act*, a federal law enacted by Congress, requires all Medicaid managed care network providers to be enrolled in state Medicaid programs. Providers must enroll separately with each state in which they practice.

All billing and rendering providers submitting claims to Wellpoint are required to maintain active enrollment in the Maryland Medicaid program. Providers enroll through the electronic Provider Revalidation and Enrollment Portal (ePREP), managed by the Maryland Department of Health.

Failure to enroll and maintain an active status with ePREP may result in future claims denial. Please enroll and/or verify active status with ePREP at <https://eprep.health.maryland.gov>. For more information, contact the Maryland Department of Health at **844-4MD-PROV 844-463-7768** or visit www.health.maryland.gov/eprep.

Medicaid providers will use ePREP as a one-stop shop for new enrollment, re-enrollment, revalidation, and provider/demographic updates (for example, license updates, changes of ownership, address changes).

How to enroll

Providers must sign up with a username and password at <https://eprep.health.maryland.gov>. For help navigating, you can contact the ePREP Call Center at **844-4MD-PROV 844-463-7768**, Monday through Friday, 7 a.m. to 7 p.m. (except state holidays).
