

## **21st Century Cures Act enrollment mandate**

The *21st Century Cures Act 114 P.L. 255* requires all Medicaid managed care network providers **regardless of specialty** to enroll with the state Medicaid program or risk being removed from the managed care provider network. Enrollment does not require you to service NJ FamilyCare fee-for-service (FFS) beneficiaries. Providers that are enrolled for the *21st Century Cures Act* only are not eligible to receive NJ FamilyCare FFS payments.

Existing providers should continue to provide services to NJ FamilyCare managed care members as the enrollment application is processed. Your participation will not be terminated at this time. However, continued noncompliance with the enrollment mandate will result in future termination of your Amerigroup Community Care contract as determined by the Division of Medical Assistance and Health Services.

The application for enrollment can be accessed directly at [www.njmmis.com](http://www.njmmis.com). Go to **Provider Enrollment Application** and then select **21st Century Cures Act** in the *Provider Type* drop-down menu. Should you have questions during the enrollment process, please contact the NJ Medicaid Management Information System Provider Enrollment unit at **1-609-588-6036**.

Submit the application and credentials by mail to the following address or fax to **1-609-584-1192**.
