

# Healthy Rewards Program

The Healthy Rewards Program helps you increase your quality scores and your members earn rewards.

Through our Healthy Rewards Program, Amerigroup Community Care members enrolled in Medicaid can earn \$10-25 for getting certain health services. At the same time, you increase your practice's quality scores by providing Amerigroup members with the important vaccinations, screening visits and medications they need.

When a member meets the eligibility criteria for the activities listed below and completes the service, they will earn the corresponding reward amount after the service is confirmed by our Claims department. The reward dollars are loaded into the member's Healthy Rewards portal and can be redeemed for a variety of retail gift cards. **Please ensure you file your claims timely so your Amerigroup patients can receive their rewards.**

To help your practice score well, all Healthy Rewards activities are tied to HEDIS® scores and/or health initiatives. Activities include:

Healthy activities	Who's eligible	Reward	Frequency
Lead Screening in Children	Ages 0 to 1 (stops on date of 2nd birthday)	\$15	1 per member
Diabetic Retinal Eye Exam	Ages 18 to 75	\$25	Once per year
