What do I need to do now as a new provider to EVV?

The Division of Medical Assistance and Health Services (DMAHS) requires that all home health services providers actively serving Medicaid beneficiaries complete a short survey: <https://www.cognitofrms.com/HHAXchange1/NewJerseyHomeHealthServicesProviderPortalQuestionnaire>

What do I need to know as an existing provider?

Keep doing what you are doing. Amerigroup and CareBridge will provide additional information on any differences or changes in ongoing provider communications and trainings.
