Medication Precertification Request Tutorial

Use our provider self-service website to submit precertification requests for members who need medications considered to be:

- **Medical injectables** — obtained by an office/facility for onsite infusion or administration

This guide:

- Gives you step-by-step help to enter a precertification request for general pharmacy and medical injectables.
- Explains what happens after each request is submitted.
- Provides contact information if you need help.

Things to remember

1. A red asterisk (*) indicates a required field.
2. Use the **Previous** and **Next** buttons to navigate between tabs as you enter the required precertification information.
3. If an entry is incorrect, you will see an error message with instructions.
4. If you cannot correct an error, please call Provider Services at 1-800-454-3730 if you're a Medicaid provider or-1-866-805-4589 if you're a Medicare provider for help.
5. Authorization request date spans cannot begin before the date you enter your request.
6. The precertification request must be for an eligible participant who is an Amerigroup member. You must be logged in to providers.amerigroup.com and have selected one of the highlighted menu options shown on the right to follow the steps in this guide.

Request precertification for medical injectable medication

Navigate to the Pharmacy Authorizations page:
1. Select **Request Medical Injectables** from the *Tools* menu on our provider self-service site home page.
2. Select **Tennessee** from the *Market* menu.
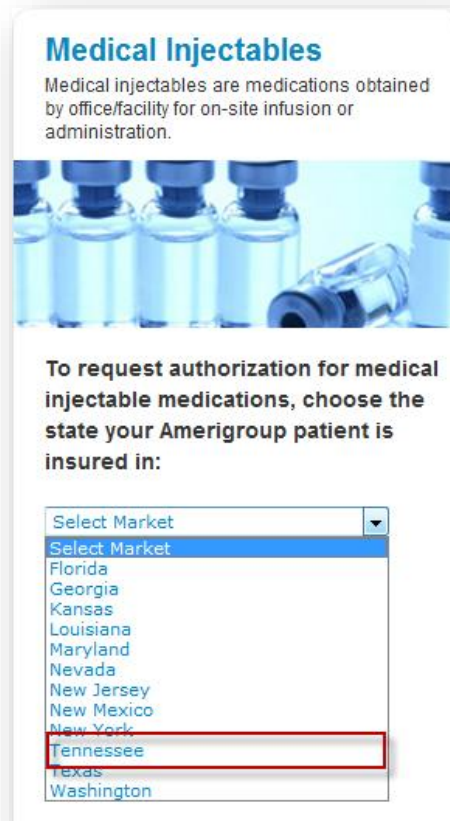

Complete the *Request Info* tab:

1. Enter the *Auth Start Date* and *Auth End Date* for the precertification request.
   - The start date will default to the current date, and the end date will default to six months from the current date.
   - Select in the date field to type the date or select the calendar icon to select a date.

2. Select the **ID Type** drop-down menu and select the specific ID type or **All ID Types**.

3. Type the ID number type that corresponds with the ID type selected, and select the **Find Member** button.
   - If multiple members are found during the search, select the correct **Member Name** from the list.
   - If the member is eligible, the member's information will display.

4. If no members are found, re-enter the information to ensure it was typed accurately or try a different ID type and repeat your search. If you still receive an error message, call Provider Services at 1-800-454-3730 for Medicaid requests or 1-866-805-4589 for Medicare requests.

5. Select the **Search By** category under **Drug Code**. Available options are:
   - Drug code
   - Drug name

6. Enter your search term in the *Search Text* field.

7. Select the **Search** button.

No actual user information is displayed in this guide. All names and IDs simulated.

Complete the *Supporting Files* tab:

1. Select the **Browse** button and locate the supporting clinical file. When you find the file you want to attach and select it, the file path will display in the field that appears before the *Browse* button.
   - It's important to provide supporting medical information for certain types of drugs (i.e., biomarker testing or pertinent labs). Giving us this supporting documentation helps us to make a decision and process the precertification request quickly. If you're unsure about what type of information is needed, you can call us directly at 1-800-454-3730 for Medicaid requests or 1-866-805-4589 for Medicare requests.
   - Acceptable file formats are Microsoft Word and Excel files, PDFs and TIFFs.
2. Select **Attach** to upload the file; it will display in the *Files Supporting the Auth Request* section once uploaded. Select **Remove** to delete the file from the request.
3. Repeat these steps until all necessary supporting clinical files are attached to the request.
4. Select the **Next** button.
5. If you have over five supporting files to attach, please submit them via the listed fax number.

Complete the *Review and Submit* tab:

1. Review the information you entered for the precertification request**.**
   - All errors must be corrected before the request can be submitted. Select the **Fix this** link to go directly to the error and update the information.
   - Select the **Previous** button to go back, or select the tab on the left side of the screen to navigate directly to a particular tab and make edits to the information entered.
2. Select **Print Review Copy** at the bottom of the screen to print a copy of the precertification request for your records.
3. Select the **Submit Auth** button when you're ready to submit your request.
4. Keep a copy of the web tracking number included in your submission confirmation; you will need this number if you have to follow up on your request.
5. If additional precertification are needed for the same member, select the **Submit Another Request** button.

Notes:
- You will receive an error message if there are problems with your request. Review the information on *the Review and Submit* tab and try again.
- If you continue to have issues with your online requests, call Provider Services at the numbers listed below:
  - Medicaid providers call 1-800-454-3730
  - Medicare providers call 1-866-805-4589
- You have the ability to check the status of a Medical Injectable authorization request. To find out how, review the *Precertification Status and Appeals Tutorial* located in the *Provider Resources and Documents* menu under *Tutorials*.
