Get the right care and supports

We're here to help you get quality healthcare like doctor visits, hospitalizations, and prescription drugs. We provide you with all your STAR+PLUS healthcare and long-term services and supports benefits.

We work closely with doctors and hospitals in your community to get you the right care, close to home. This includes:

- Assigning you a service coordinator (if needed based on your health or if you ask for one).
- Long-term services and supports, if needed.
- Well-care.
- Community-based care and services.
- Our 24-hour Nurse Helpline.

If you get services through the ICF-11D program or an IDD waiver and don't qualify for Medicare, you get your acute care services only under STAR+PLUS. The Health and Human Services Commission (HHSC) provides your long-term services and supports benefits.

If you also have Medicare

If you have both Medicare and Medicaid, Medicare will provide your acute health-care benefits, such as doctor visits, hospitalizations, behavioral health, and prescriptions. If you need long-term services and supports, we will provide them.

Choose your own primary care provider

If you don't already have a primary care provider, you can choose one from our large network. Just pick one listed in this book. Your primary care provider will get to know you and your health history and refer you to specialists.

If you have both Medicare and Medicaid, you will choose a primary care provider from your Medicare plan's network.

Get help with long-term services and supports

If you live at home and need help with things like eating, light housekeeping, fixing meals, or personal care, we have services to help you. We'll have a service coordinator talk to you and your doctors about your health. This will help us understand your needs. Once the service coordinator assesses your needs, he or she will tell you about the long-term services and supports you may be able to get, including:

- Personal assistance services.
- Assisted living.
- Adult day care.

Your service coordinator will work with you to develop a service plan. He or she will see you regularly to make sure your care and services are working for you. To learn more about long-term services and supports, refer to the member handbook.

If you need mental health or substance use disorder services,* you can get them without a referral from your primary care provider. Call us 24 hours a day, 7 days a week at **833-731-2160 (TTY 711)**. We will:

- Tell you how to get help.

You can even choose an OB/GYN as your primary care provider. Call us at **833-731-2160 (TTY 711)** and tell us which OB/GYN you want as your primary care provider.

* If you have Medicare, your behavioral health and OB/GYN services will be provided through your Medicare plan.

- Servicios de asistencia personal
- Vida asistida
- Cuidado de adultos durante el día

Su coordinador de servicios trabajará con usted para desarrollar un plan de servicios. Él o ella lo verá regularmente para asegurarse de que su cuidado y sus servicios le estén funcionando. Para saber más acerca de servicios y apoyos a largo plazo, consulte el manual del miembro.
