

Register for the Texas EVV HHAeXchange Town Hall Webinars

The Texas Health and Human Services Commission (HHSC), Texas Medicaid & Healthcare Partnership (TMHP), and HHAeXchange will hold three Town Hall webinars over the next two months for all Electronic Visit Verification (EVV) stakeholders.

During the Town Hall webinars, attendees will have the opportunity to ask questions and provide input on the Texas EVV migration to HHAeXchange and the upcoming EVV expansion [due to the Cures Act Home Health Care Services implementation](#).

Webinar Registration

Registration is limited, so to accommodate as many attendees as possible, HHSC is requesting that each attendee select and register for only one of the three scheduled webinars. Participation is optional but encouraged, so sign up today. Webinars are scheduled from 9-11 a.m. Central Time.

1. [Register for the Friday, November 3 Webinar](#)
2. [Register for the Friday, November 17 Webinar](#)

Contact [HHSC EVV Operations](#) with any questions.
