

Amerigroup invites you to participate in the Social Drivers of Health Provider Incentive Program (SDOHPIP) for prenatal and postpartum care

SDOHPIP rewards you — our valued provider — for the quality care you provide to our prenatal and postpartum members. Aligning financial rewards with improved outcomes, SDOHPIP is designed to encourage efficient, preventive, and cost-effective healthcare.

SDOHPIP offers monetary incentives for these activities completed using our findhelp* platform, the Community Resource Link, and through the billing of claims:

- Completed SDOH member assessments
- Completed adverse childhood experiences (ACEs) screeners
- Billed appropriate ACEs and SDOH-related diagnosis codes
- Referrals to community-based organizations (CBOs)
- Successful referral status updates in findhelp

Through SDOHPIP, we partner with you to achieve mutual goals:

- Improve targeted clinical quality measures
- Identify members' with SDOH needs
- Determine members' ACEs risk
- Assist members with ACEs/SDOH needs by referring to CBOs
- Increase provider awareness and utilization of the Community Resource Link as a resource to refer our members to community organizations that can help them with SDOH needs
- Improve member health outcomes by addressing ACEs/SDOH needs

Our program offers the following:

- Collaboration with findhelp, a website and platform to enter SDOH assessment responses for our members, member referrals to CBOs, and status of CBO referrals
- Performance scorecard reports semi-annually after end of each reporting period to allow for claims run out and report production time
- Findhelp self-service reporting within the provider platform to view eligible incentive occurrences in real time, with the exception of ACEs/SDOH-related diagnosis codes (from claims data) incentive measure
