## 9. Physician signature

Prescriber or authorized signature
Prior Authorization of Benefits is not the practice of medicine or the substitute for the independent medical judgment of a
treating physician. Only a treating physician can determine what medications are appropriate for a patient. Please refer to the
applicable plan for the detailed information regarding benefits, conditions, limitations, and exclusions. The submitting provider
certifies that the information provided is true, accurate and complete and the requested services are medically indicated and
necessary to the health of the patient. Note: Payment is subject to member eligibility. Authorization does not guarantee payment.
The document(s) accompanying this transmission may contain confidential health information that is legally privileged. This
information is intended only for the use of the individual or entity named above. The authorized recipient of this information is
prohibited from disclosing this information to any other party unless required to do so by law or regulation. If you are not the
intended recipient, you are hereby notified that any disclosure, copying, distribution or action taken in reliance on the contents of
these documents is strictly prohibited. If you have received this information in error, please notify the sender immediately and
arrange for the return or destruction of these documents.

Important note: You are not permitted to use or disclose Protected Health Information about individuals who you are not treating or are not enrolled to your practice. This applies to Protected Health Information accessible in any online tool, sent in any medium including mail, email, fax, or other electronic transmission.
