

Are you a college student with lived experience of a mental health condition between 18- 30?

Would you like to have **YOUR voice heard** and help shape future research that aims to improve services young adults receive?

Are you passionate about improving the lives of young adults?

We want you to join the Young Adult Action Council!

What is the Young Adult Action Council?

HYPE has research and knowledge-sharing projects that aim to support young adults like you in your goals towards education and work.

We are seeking young adults to become members of our **Young Adult Action Council** to help shape our activities and make them relevant to you and your experience!

Are you interested?

What does involvement in the Young Adult Action Council look like?

What the **Young Adult Action Council** has to offer:

- Great Resume/Experience Builder
- Influence National Research
- Help to design products for college students like you
- \$25/Hour Compensation

Interested?
