

## Supporting behavioral health providers using telehealth during COVID-19

**Background:** The Northwest Mental Health Technology Transfer Center (Northwest MHTTC) and [Behavioral Health Training, Workforce and Policy Innovation Center](#) of the [Behavioral Health Institute \(BHI\)](#) are partnering to present an eight session telehealth series for behavioral health providers across the continuum of behavioral health care in Washington in response to COVID-19.

The webinar series will meet twice weekly for four weeks and will address a variety of topics related to telehealth, including operational and administrative issues such as billing, equipment and technology requirements, and strategies to provide effective clinical care.

**Webinars are held on:**

- Wednesdays from 2 to 3 p.m. Pacific time
- Fridays from 11 a.m. to 12 p.m. Pacific time
