

# One-day ASAM Criteria Overview Training

## *An Evidence-Based Practice Workshop*

This one-day, application-focused training provides participants with an in-depth look at the theoretical foundations of the Criteria, including clinically driven services, biopsychosocial assessment, the six dimensions, continued stay and transfer/discharge criteria. Incorporating the use of the new edition of *The ASAM Criteria*, participants have opportunities for skill practice at every stage of the treatment process: assessment, engagement, treatment planning, continuing care and transfer or discharge.

All participants receive an in-depth Training Journal to guide the training experience and as a resource for continuing skill application.

**Attendees will earn 5.0 NAADAC Continuing Education Credits (CE's) for participation in the full day.**  
**This training is approved by NAADAC, Provider # 193784**

### **Sign-up for the virtual training:**

1. There are two training options: 1) July 15, 2020 and 2) July 29, 2020.

Please register for the date that works best for you.

- a. July 15, 2020 8:30 am – 4:30 pm | Registration link:
