Do you have questions or concerns about COVID-19 vaccine for kids?

Join a pediatrician and naturopathic doctor as they discuss:

- Why is the vaccine important for kids?
- Is the vaccine safe and effective for kids?
- What are the vaccine's side effects for kids?
- How do you access the vaccine for kids?

During this online discussion we:

- Answer your questions.
- Present accurate, clear information to dispel myths about the vaccine.
- Address the deep, historical traumas that have created distrust in the vaccine.
