

BEHAVIORAL HEALTH PROVIDER ROLE IN TRANSITION TEAMS (SB 5071)

WHAT

This webinar panel will provide an overview of changes to the role of behavioral health providers in the discharge process for individuals that meet civil commitment under RCW 71.05.280 and individuals that meet criteria for Not Guilty by Reason of Insanity (NGRI)

WHEN

Tuesday, July 26th 10:00-11:00

Wednesday, July 27th 11:30-12:30

At the conclusion of this event, participants will be able to:

- Understand the changes in legislation that directly impact the behavioral health providers role in discharge planning and ongoing team coordination for transition teams
- Understand the new processes to implement
- Have access to Frequent Asked Questions and definitions

NOTES:

- Choose the time that fits your schedule best (webinars will present the same content)
- Attendance to a live webinar is highly encouraged and a recording will be made available following the presentation

AUDIENCE:

Behavioral health providers, certified peer counselors, and managers, administrators, coordinators, and counselors.
