Provider HEDIS measures education webinars

Amerigroup Washington, Inc. is offering access to all provider coding education events with one easy, convenient link. Amerigroup will add new topics to the training page, so check it often. These sessions will include topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more.

Who should attend?

Network providers, coders, billers, office staff

Each live training webinar awards one unit of continuing education (CME/CEU).
