

## Link to Substance Abuse and Mental Health Services Administration Cultural Competency training added to provider website

A link has been added to the provider website for the **Substance Abuse and Mental Health Services Administration (SAMHSA) Cultural Competency training** (path: <https://providers.amerigroup.com/wa> > Training-academy > Cultural competency resources: My Diverse Patients > SAMHSA Certified Community Behavioral Health Clinics and Cultural Competency). Certified community behavioral health clinics must show cultural competence, especially when treating those with limited English proficiency (LEP), military service members and veterans.
