# Digital provider orientation

At Amerigroup Washington, Inc., we value you as a provider in our network. That's why we've redesigned one of the ways we share important information about our tools and resources to make it more useful for you.

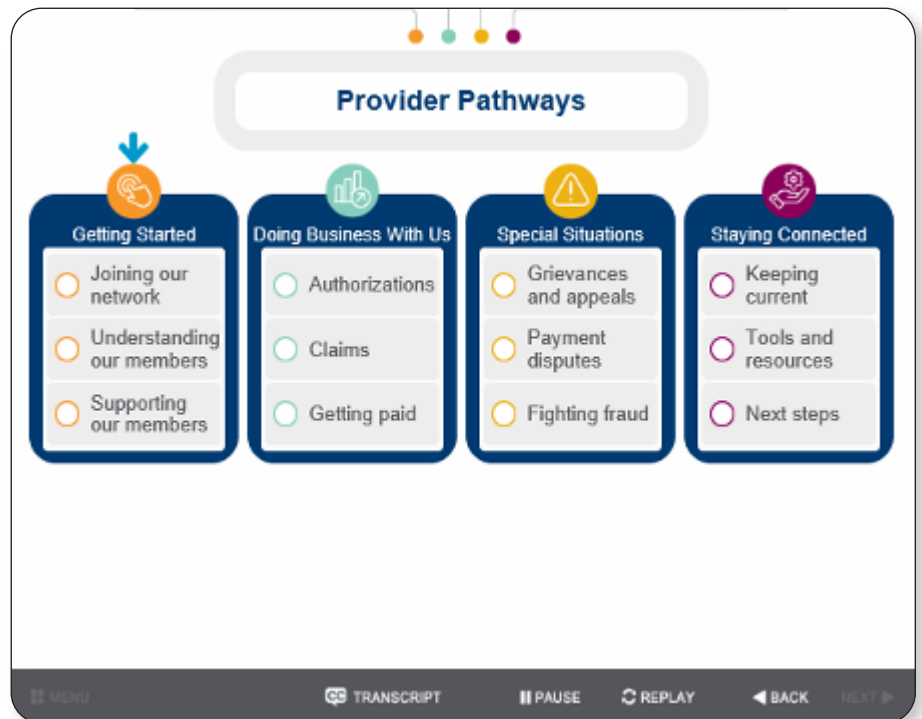

In first quarter 2021, we launched the *Provider Pathways Digital Provider Orientation*. Provider Pathways is a 24/7 educational resource that offers a foundation for doing business with Amerigroup. We are always looking to improve our training methodology, and this self-paced resource offers a new approach by adding an easy, on-demand option for Medicaid providers. In addition, this course gives you the flexibility to schedule training for yourself and your staff.

**You are in control  
of your training  
experience!**

You select the training path you need.

Do you want to learn more about authorizations or maybe you need information on claims?

You pick the path; you decide the pace.

\* Availity, LLC is an independent company providing administrative support services on behalf of Amerigroup Washington, Inc.

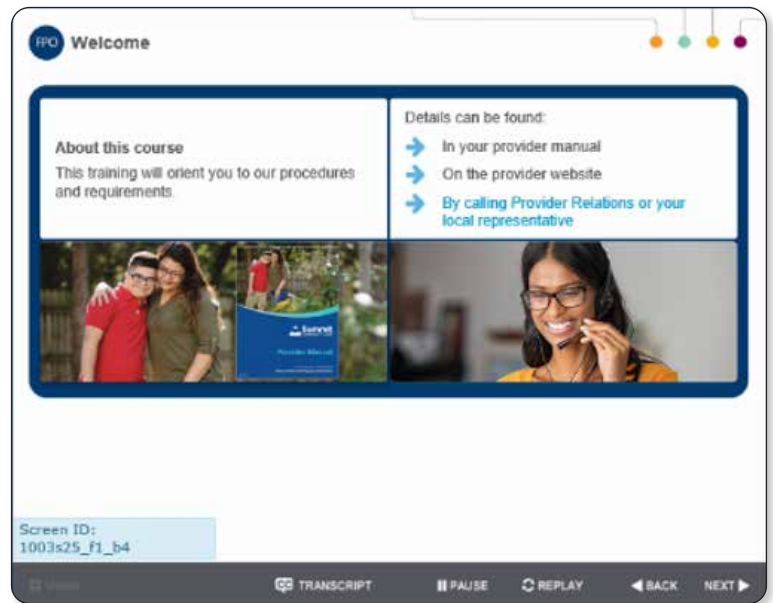

**Provider Pathways includes information on most of our frequently used provider tools and resources, including:**

- Joining our network.
- Signing up for Availity.\*
- Enrolling in EFTs/ERAs.
- Checking member eligibility and claim status.
- Authorizations.

The modules have both instructor voiceover and transcripts to take you through each lesson. You can pause, replay or go back whenever you need. Provider Pathways even tracks your progress in case you have to leave and come back later.

The modules are designed to be informative, easy to navigate and can be retaken if you need a quick refresher on one or more topics, whenever needed.

For your convenience, the *Provider Pathways Digital Provider Orientation* is available on the *Provider Training Academy* section of our website at <https://provider.amerigroup.com/wa>.

If you have questions about this new provider orientation toolkit, reach out to your Network Relations consultant.
