

# Is Your Clinic Losing Incentive Payments for Children's Well-Care Exam Rates?

If your clinic provides health care for children/adolescents and is losing an incentive payment for well-care visits, we may be able to help, and **your clinic can earn up to \$10,000** in the process!

In our well-care improvement efforts, **3 out of 4 clinics improved** their well-care visit rates in just 5 short months!

**Washington State Department of Health**, in partnership with the **Medicaid Managed Care Organizations (MCOs)**, is sponsoring a Fall 2021 Clinic Project (August-December 2021 with final reporting in January 2022).

The goal of this project is to identify the clinic's rates for well-care exams for patients 0 to 21 years of age and increase the clinic's rates of well-care visits by using strategies utilized by successful clinics.

## WHAT THE CLINIC WILL GET:

**PARTNERS** will work with MCOs to reconcile the list of patients attributed to the clinic (the list used to report the official rate of well-care visits for patients served).

**EXPERIENCE** using MCO's reports (Master Rosters, Care Gap Reporting & Add/Drop Reporting).

**LEARN tips** reported from other clinics as helpful and what parents say enable them to get well-care exams completed.

**INCENTIVES** are available upon completion of 5 tasks and vary based on the number of children attributed to the clinic and the number of partnering MCOs (1 or 2).

**Up-to-date Panel Awareness** can be maintained beyond the Fall 2021 Clinic Project

## PARTICIPANT QUALIFICATIONS:

- Serve at least **250 Medicaid managed care patients 0 to 21 yrs of age** with one Medicaid MCO.
- Child/adolescent well-care visit rate is currently **below the state average**
- **Clinic is willing to dedicate time and resources between August – December 2021** and partner with one or two Medicaid MCOs to complete a series of five tasks to increase the rates of well-care exams for identified age groups. The final project report is due in January 2022 and a meeting with peer clinics to follow.

## WANT TO SIGN UP?

Contact the MCO(s) of your choice by clicking on the contact name below. (Space is limited and filling up!)
