

## 90-day supply for asthma controllers

Amerigroup Community Care is now offering a 90-day supply for asthma controllers at both retail and mail order pharmacies to those members on an established treatment regimen (for example, a paid claim within 60 days). Please refer to the *Preferred Drug List (PDL)* and/or searchable formulary on <https://providers.amerigroup.com/MD> for coverage details and limitations (including prior authorization, quantity limits, age limits or step therapy).
