A provider's listing in the directory does not ensure the provider is still working with Wellpoint or taking new members. The providers in our plan may have changed since this directory was last printed. Some new providers may have joined our plan. And some may have left our plan. To see a current listing of our providers, you can search our online provider directory. Go to **wellpoint.com/tn/medicaid**. Just click on **Find a Doctor**. This will let you search for doctors, providers, and long-term services and supports. You can also call Member Services at **833-731-2153 (TRS 711)**. A representative can help you find a provider.

If you have an emergency, call **911** or go to the nearest emergency room.

El perfil de un proveedor en el directorio no garantiza que el proveedor sigue trabajando con Wellpoint ni que está aceptando miembros nuevos. Los proveedores de nuestro plan pueden haber cambiado desde la última impresión de este directorio. Algunos nuevos proveedores pueden haberse unido a nuestro plan. Y algunos pueden haberse salido de nuestro plan. Para ver una lista actualizada de nuestros proveedores, puede consultar nuestro directorio de proveedores en línea. Visite **wellpoint.com/tn/medicaid**. Simplemente haga clic en **Buscar un médico**. Esto le permitirá buscar doctores, proveedores y servicios y apoyos a largo plazo. También puede llamar a Servicios al Miembro al **833-731-2153 (TRS 711)**. Un representante puede ayudarle a buscar un proveedor.

Si tiene una emergencia, llame al **911** o vaya a la sala de emergencias más cercana.

### TennCare CHOICES and TennCare CHOICES members

There are special directories for providers in CHOICES and Employment and Community First CHOICES. You can find each of these Provider Directories online at **wellpoint.com/tn/medicaid**. Or call us at **833-731-2153 (TRS 711)** to get a list.

### Miembros de TennCare CHOICES y Employment and Community First CHOICES:

Hay directorios especiales para los proveedores en CHOICES y en Employment and Community First CHOICES. Estos Directorios de Proveedores se encuentran en línea en **wellpoint.com/tn/medicaid**. O nos puede llamar al **833-731-2153 (TRS 711)** para pedir una lista.

A provider's listing in the directory does not ensure the provider is still working with Wellpoint or taking new members. The providers in our plan may have changed since this directory was last printed. Some new providers may have joined our plan. And some may have left our plan. To see a current listing of our providers, you can search our online provider directory. Go to **wellpoint.com/tn/medicaid**. Just click on **Find a Doctor**. This will let you search for doctors, providers, and long-term services and supports. You can also call Member Services at **833-731-2153** (TRS **711**). A representative can help you find a provider.

If you have an emergency, call **911** or go to the nearest emergency room.

El perfil de un proveedor en el directorio no garantiza que el proveedor sigue trabajando con Wellpoint ni que está aceptando miembros nuevos. Los proveedores de nuestro plan pueden haber cambiado desde la última impresión de este directorio. Algunos nuevos proveedores pueden haberse unido a nuestro plan. Y algunos pueden haberse salido de nuestro plan. Para ver una lista actualizada de nuestros proveedores, puede consultar nuestro directorio de proveedores en línea. Visite **wellpoint.com/tn/medicaid**. Simplemente haga clic en **Buscar un médico**. Esto le permitirá buscar doctores, proveedores y servicios y apoyos a largo plazo. También puede llamar a Servicios al Miembro al **833-731-2153** (TRS **711**). Un representante puede ayudarle a buscar un proveedor.

Si tiene una emergencia, llame al **911** o vaya a la sala de emergencias más cercana.

#### **TennCare CHOICES and TennCare CHOICES members**

There are special directories for providers in CHOICES and Employment and Community First CHOICES. You can find each of these Provider Directories online at **wellpoint.com/tn/medicaid**. Or call us at **833-731-2153** (TRS **711**) to get a list.

#### **Miembros de TennCare CHOICES y Employment and Community First CHOICES:**

Hay directorios especiales para los proveedores en CHOICES y en Employment and Community First CHOICES. Estos Directorios de Proveedores se encuentran en línea en **wellpoint.com/tn/medicaid**. O nos puede llamar al **833-731-2153** (TRS **711**) para pedir una lista.

## Important information about your Wellpoint health plan

### Care you need, close to home

Wellpoint wants to give you access to the best care. That is why we partner with many providers in your region, and across Tennessee. Use this directory to find local doctors, hospitals, and specialists near you. This directory only lists providers in your region. You can always see a network provider even if that provider is not in your region.

### Get all your benefits

We make it easy for you and your family to get the care you need and deserve. To learn more about your plan's covered benefits, services and copays, if applicable, visit **wellpoint.com/tn/medicaid**. You will find the latest member handbooks there, too.

### Your primary care provider

Your primary care provider (PCP) will get to know you and your health history. He or she will be your first stop for all your regular care needs. Your member ID card has the name of your PCP.

**It is easy to change your PCP.** Just pick one listed in this directory or use the tool on the member website. To change or choose your PCP:

- Go to **wellpoint.com/tn/medicaid** and log in to your secure account.
- Call Member Services at **833-731-2153 (TRS 711)**. We can help you choose your PCP.

Switching your PCP will not cause you to lose any of your health care benefits as long as that PCP is a Wellpoint plan provider.

### How to get OB-GYN services

You have the right to see a Wellpoint OB-GYN without a referral from your PCP for services, including:

- One well-woman checkup per year.
- Care related to pregnancy.
- Referral to a special doctor in the network.

### How to get behavioral health services (mental health and substance abuse)

You can call Wellpoint for help with mental healthcare and alcohol or substance abuse treatment. Visit **wellpoint.com/tn/medicaid** or call Member Services at **833-731-2153 (TRS 711)** to get the name of a doctor, therapist, or counselor who will see you. All services and treatment are strictly private.

**You do not need to see your PCP to get these services.**

### We are just a click or phone call away

If you have any questions about this provider directory or any of our benefits and services, please visit **wellpoint.com/tn/medicaid**, or call Member Services at **833-731-2153 (TRS 711)**. You can also ask us to mail you a printed copy of this directory at no cost to you.

**For a current list of providers in your plan statewide,** visit **wellpoint.com/tn/medicaid** and select **Find a Doctor**, or call us at **833-731-2153 (TRS 711)** if you need help finding a provider.

## Información importante referente a su plan de seguro médico de Wellpoint

### La atención médica que necesite, cerca de casa

Wellpoint quiere darle acceso a la mejor atención médica. Por eso nos asociamos con muchos proveedores en su región y en todo Tennessee. Use este directorio para buscar doctores, hospitales, y especialistas cerca de usted. Este directorio solo enumera los proveedores de su región. Siempre puede acudir a un proveedor de la red, incluso aunque ese proveedor no se encuentre en su región.

### Reciba todos sus beneficios

Hacemos que sea fácil para usted y su familia recibir la atención que necesiten y se merecen. Para informarse mejor sobre los beneficios y, servicios cubiertos por su plan y los copagos, si corresponden, visite **wellpoint.com/tn/medicaid**. Allí también encontrará los manuales para miembros más actualizados.

### Su proveedor de atención primaria

Su proveedor de atención primaria (PCP) llegará a conocerlo bien y conocer sus antecedentes médicos. Él o ella se será su primer punto de consulta para todas sus necesidades de atención médica. Su tarjeta de identificación de miembro tiene el nombre de su PCP.

**Es fácil cambiar su PCP.** Simplemente elija uno que aparezca en este directorio o use la herramienta en el sitio web para miembros. Para cambiar o elegir a su PCP:

- Vaya a **wellpoint.com/tn/medicaid** e inicie sesión en su cuenta segura.
- Llame a Servicios al Miembro al **833-731-2153 (TRS 711)**. Le podemos ayudar a elegir a su PCP.

Cambiar su PCP no dará lugar a que pierda ninguno de sus beneficios de atención médica siempre que ese PCP sea un proveedor del plan de Wellpoint.

### Cómo recibir servicios de obstetricia/ginecología

Usted tiene derecho a que la atienda un obstetra/ginecóloga (OB-GYN) de Wellpoint sin un referido de su PCP para servicios, que incluyen:

- Un chequeo médico de rutina de la mujer por año.
- Atención médica relacionada con el embarazo.
- Referido a un médico especial en la red.

### Cómo recibir servicios de salud conductual (salud mental y abuso de sustancias)

Puede llamar a Wellpoint para obtener ayuda con la atención de salud mental y el tratamiento por el abuso de alcohol o sustancias. Visite **wellpoint.com/tn/medicaid** o llame a Servicios al Miembro al **833-731-2153 (TRS 711)** para que le den el nombre de un doctor, terapeuta, o consejero que lo pueda atender. Todos los servicios y tratamientos son estrictamente privados. **No necesita ver a su PCP para recibir estos servicios.**

### Estamos a tan sólo un clic o una llamada telefónica

Si tiene alguna pregunta sobre el directorio de proveedores o cualquiera de nuestros beneficios y servicios, por favor, visite **wellpoint.com/tn/medicaid**. O bien, llame a Servicios al Miembro al **833-731-2153 (TRS 711)**. También puede pedirnos que le enviemos una copia impresa de este directorio sin costo alguno para usted.

**Para obtener una lista actualizada de los proveedores de su plan a través de todo el estado,** visite **wellpoint.com/tn/medicaid** y seleccione **Find a Doctor (Buscar un médico)**, o llámenos al **833-731-2153 (TRS 711)** si necesita ayuda para buscar un proveedor.

## Symbols index

You may find these symbols next to provider names and addresses. These symbols mean the provider:

|                                                                                   |                                                      |                                                                                   |                                                                                                                                      |
|-----------------------------------------------------------------------------------|------------------------------------------------------|-----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| A                                                                                 | Treats older adults.                                 |  | Completed cultural competency training.                                                                                              |
| B                                                                                 | Treats people with behavioral health needs.          | *                                                                                 | Is not taking new patients at this time.                                                                                             |
| †                                                                                 | Is board certified.                                  |  | Offers telemedicine, telehealth or telemonitoring services.                                                                          |
| D                                                                                 | Treats people with disabilities.                     |  | Has an after-hours contact number.                                                                                                   |
| **                                                                                | Receives ongoing training.                           |  | Has accommodations for people with disabilities. This practice has features identified by the letters below: P, EB, IB, R, E, and T. |
| #                                                                                 | Provides TennCare Kids services.                     |  | Provides family planning services.                                                                                                   |
|  | Is located close to public transportation.           |                                                                                   | Days of the week:<br>M, Tu, W, Th, F, Sa, Su                                                                                         |
| H                                                                                 | Treats people living with HIV/AIDS.                  |  | Will see CoverKids members.                                                                                                          |
| ●                                                                                 | CoverKids members are not eligible for this benefit. | LGBTQ+ ally                                                                       | This care provider has completed training and understands the needs of members who identify as LGBTQ+.                               |

All providers treat people of all ages unless otherwise noted.

These symbols mean the provider facility has:

|         |                                                                                                                                                                                                                                                                                                                   |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Basic   | Basic access for people with a disability or disabilities. This means access to parking, buildings, elevators, the doctor's office, the exam room and the restrooms.                                                                                                                                              |
| Limited | Limited access for people with a disability or disabilities. This means some access to one or more features is missing like parking, buildings, elevators, the doctor's office, exam rooms and restrooms.                                                                                                         |
| P       | <ul style="list-style-type: none"> <li>• Accessible parking spaces, including van accessible spaces.</li> <li>• Pathways with curbed ramps between the parking lot, office and drop-off locations.</li> </ul>                                                                                                     |
| EB      | <ul style="list-style-type: none"> <li>• Curbed ramps and other ramps wide enough for a wheelchair or scooter.</li> <li>• Handrails on both sides of ramps.</li> <li>• An accessible entrance.</li> <li>• Doors wide enough for a wheelchair or scooter.</li> <li>• Door handles that are easy to use.</li> </ul> |

|    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| IB | <ul style="list-style-type: none"> <li>• Doors wide enough for a wheelchair or scooter.</li> <li>• Door handles that are easy to use.</li> <li>• Wide interior ramps with handrails.</li> <li>• Stairs, if present, with handrails.</li> <li>• An elevator, if present, that is available to use anytime the building is open, easy-to-hear sounds and Braille buttons within reach, and room for people using a wheelchair or scooter to turn around.</li> <li>• A platform lift, if present, can be used without help.</li> </ul> |
| R  | <p>A restroom with:</p> <ul style="list-style-type: none"> <li>• Doors wide enough for a wheelchair or scooter.</li> <li>• Doors that are easy to open.</li> <li>• Room for people using a wheelchair or scooter to turn around and close the door.</li> <li>• Grab bars for easy transfer from wheelchair to toilet.</li> <li>• An accessible sink where the faucets, soap and toilet paper are easy to reach.</li> </ul>                                                                                                          |
| E  | <p>An exam room with:</p> <ul style="list-style-type: none"> <li>• An entrance with an accessible, clear path.</li> <li>• Doors wide enough for a wheelchair or scooter.</li> <li>• Doors that are easy to open.</li> <li>• Room for a person using a wheelchair or scooter to turn around.</li> </ul>                                                                                                                                                                                                                              |
| T  | <p>An exam table that moves up and down. The scale has handrails to help people using a wheelchair or scooter. The weight scale can accommodate a wheelchair.</p>                                                                                                                                                                                                                                                                                                                                                                   |

## Índice de símbolos

Estos símbolos pueden aparecer al lado de los nombres y direcciones de los proveedores. Estos símbolos significan que el proveedor:

|                                                                                   |                                                                 |                                                                                     |                                                                                                                                                             |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
