Integrated Managed Care

As of January 1, 2019, the majority of the state's Apple Health programs combined physical and behavioral health into integrated managed care. With integrated managed care, Apple Health will coordinate behavioral health services instead of a regional behavioral health organization (BHO).

Behavioral health treatment in a clinic is available through Amerigroup Washington, Inc. To access these services, contact us directly.

North Sound began integrated managed care on July 1, 2019.

Three regions waited to combine physical and behavioral health until January 1, 2020:

- Great Rivers
- Salish
- Thurston-Mason

Integrated Managed Care (Cuidado administrado integrado)

A partir del 1 de enero de 2019, la mayoría de los programas Apple Health del estado combinarán la salud física y del comportamiento en el cuidado administrado integrado. Con el cuidado administrado integrado, Apple Health coordinará los servicios de salud del comportamiento en lugar de una Organización de Salud del Comportamiento (BHO) regional.

El tratamiento de la salud del comportamiento en una clínica está disponible a través de Amerigroup Washington, Inc. Para acceder a estos servicios, comuníquese con nosotros directamente.

North Sound comenzará el cuidado administrado integrado el 1 de julio de 2019.

Tres regiones esperarán combinar la salud física y del comportamiento el 1 de enero de 2020. Estas son:

- Another behavioral health or substance use disorder provider in your plan

You don't need a referral from your PCP to see behavioral health specialists in your plan. There are some treatments and services that need preapproval before you can get them. To learn more, talk to your doctor.

To find out more about your benefits, go to myamerigroup.com/WA.

How to choose your PCP

Apple Health and Apple Health Integrated Managed Care members need a primary care provider (PCP). This is your main doctor who will give you most of your care. We can help you choose your PCP. Use this directory to find a PCP nearby who accepts new patients. If you need help finding a PCP, you can:

- Call Member Services at **800-600-4441 (TTY 711)**.
- Search for a provider using our online **Find a Doctor** tool at myamerigroup.com/WA.

Your PCP will:

- Give you all the basic health services you need
- Send you to other doctors or hospitals when you need special healthcare

How to get OB/GYN services

You can see a plan OB/GYN without a referral from your PCP for services like:

- Well-woman visits
- Pregnancy care
- Care for any female medical condition
- Family planning

You may also be able to choose an OB/GYN as your PCP. Call Member Services at **800-600-4441 (TTY 711)** and tell us the name of the OB/GYN you want as your PCP.

How to help your children stay healthy

Babies and children need more care to get a good start in life. That's why it's important for children to get well-child checkups on time. Your member guide tells you how often children should see their PCP for wellness visits. These visits also help doctors find health problems early when it's easiest to take care of them. During a wellness visit, your child will get things like:

- Physical exams
- Immunizations (shots)
- Tests for TB, lead, and other health problems
- Eye and ear tests
- And more

You can get wellness visits for children under the age of 21 from any Amerigroup doctor. You don't need a referral. If you need help finding a PCP for your child, either:

- Call Member Services at **800-600-4441** (TTY 711).
- Choose **Find a Doctor** at myamerigroup.com/WA for our most current list of doctors.

How to get specialist care

Your PCP will send you to other doctors (called specialists) or hospitals if you need special care. This is called a referral.

That means your PCP:

- Agrees you need special care for a specific condition.
- Will send you to a doctor that specializes in your problem, like a/an:
 - Allergist (for allergy problems)
 - Cardiologist (for heart problems)
 - Dermatologist (for skin problems)

Make sure your specialist is in our plan so your care will be paid for.

Federally qualified health centers (FQHCs) and rural health clinics (RHCs)

You can get services (like health screenings and shots for kids) from FQHCs and RHCs if they're:

- In our health plan.
- In your service area and you ask for these services.

You can get services from non-plan FQHCs or RHCs if a plan provider isn't in your service area. We also pay for behavioral health services given at an FQHC or RHC.

If you don't see an FQHC or RHC provider's name listed in our directory, you can visit myamerigroup.com/WA and use our online **Find a Doctor** tool or call Member Services toll free at **800-600-4441** (TTY 711).

How to get pharmacy services

You may go to any pharmacy in our health plan to get your prescriptions. Be sure to show your Amerigroup member ID card to the pharmacy. If you're not sure if a drugstore is in our plan, ask the pharmacist.

How to get urgent and emergency care

If you're sick or hurt and your doctor's office is closed, you can call an urgent care clinic for help. Our after-hours and urgent care providers and their hours are listed in this directory. In an emergency, always go to the nearest emergency room or call **911**.

Getting care is easy. Just follow these steps:

- Choose a convenient location from this directory or use our **Find a Doctor** tool on myamerigroup.com/WA to search for providers by name, type, or location.
- Call them before you arrive.

- Let the office know you're an Amerigroup member, and you need after-hours care.

If you need help finding a doctor in your area for after-hours or urgent care, call the 24-hour Nurse HelpLine toll free at **866-864-2544** (TTY **711**). We're available 24 hours a day, 7 days a week.

Cómo elegir su PCP

Los miembros de Apple Health y Apple Health Integrated Managed Care necesitan un proveedor de cuidado primario (PCP). Este es su doctor principal, quien le brinda cuidado en la mayoría de los casos. Podemos ayudarlo a elegir a su PCP. Use este directorio para encontrar un PCP cerca de usted que admita nuevos pacientes. Si necesita ayuda para encontrar un PCP, puede hacer lo siguiente:

- Llame a Servicios al Miembro al **800-600-4441 (TTY 711)**.
- Use la herramienta en línea **Find a Doctor (Buscar un doctor)** en myamerigroup.com/WA para buscar un proveedor.

Su PCP:

- Le prestará todos los servicios básicos de salud que necesite
- Derivará su caso a otros doctores u hospitales cuando necesite cuidado de la salud especial

Cómo recibir servicios de un gineco-obstetra

Puede consultar a un gineco-obstetra sin un referido de su PCP por ciertos servicios, como los siguientes:

- Visitas de mujeres sanas
- Cuidados durante el embarazo
- Tratamiento de los problemas médicos de la mujer
- Planificación familiar

Es posible que pueda elegir a un gineco-obstetra como su PCP. Comuníquese con Member Services al **800-600-4441 (TTY 711)** y denos el nombre del gineco-obstetra que desea como su PCP.

Cómo ayudar a sus hijos a mantenerse saludables

Los bebés y los niños necesitan más cuidado para comenzar la vida de buena manera. Por eso, es importante que los niños realicen chequeos de niño sano cuando corresponda. En la guía para miembros, se indica con cuánta frecuencia los niños deberían ver a su PCP para hacerse chequeos de niño sano. Estas visitas también ayudan a los doctores a detectar los problemas de salud lo antes

posible, cuando es más fácil tratarlos. Durante una visita de bienestar, su hijo recibe servicios tales como:

- Exámenes físicos
- Vacunaciones (inmunizaciones)
- Análisis de tuberculosis, plomo, y otros problemas de la salud

Cómo obtener cuidados de especialistas

Su PCP realizará la derivación a otros tipos de doctores, llamados especialistas o a hospitales si usted necesita cuidados especiales. Esto se conoce como un referido.

Esto significa que su PCP:

- Está de acuerdo con que usted necesita cuidados especiales para un afección específica.
- Lo derivará a un doctor especializado en su problema, como un:
 - Alergista (para problemas de alergias)
 - Cardiólogo (para problemas cardíacos)
 - Dermatólogo (para problemas cutáneos)

Asegúrese de que su especialista esté dentro de nuestro plan para que su cuidado esté cubierto.

- Están dentro de nuestro plan de salud.
- Están dentro de su área de servicios y usted solicita estos servicios.

Usted puede obtener servicios de FQHCs o RHCs si cierto proveedor del plan no se encuentra dentro de su área de servicios. También cubrimos todos los servicios de salud del comportamiento que se brindan en un FQHC o una RHC.

Si no ve el nombre de algún proveedor de FQHC o RHC en nuestro directorio, puede visitar el sitio web **myamerigroup.com/WA** y usar nuestra herramienta en línea **Find a Doctor** o llamar a la línea gratuita de Servicios al Miembro al **800- 600-4441** (TTY **711**).
