## Integrated managed care

As of January 1, 2019, the majority of the state's Apple Health programs combined physical and behavioral health into integrated managed care. With integrated managed care, Apple Health will coordinate behavioral health services instead of a regional behavioral health organization (BHO).

Behavioral health treatment in a clinic is available through Wellpoint. To access these services, contact us directly.

North Sound began integrated managed care on July 1, 2019.

Three regions waited to combine physical and behavioral health until January 1, 2020:

- Great Rivers
- Salish
- Thurston-Mason

## Integrated managed care (Cuidado administrado integrado)

A partir del 1 de Enero de 2019, la mayoría de los programas Apple Health del estado combinarán la salud física y del comportamiento en el cuidado administrado integrado. Con el cuidado administrado integrado, Apple Health coordinará los servicios de salud del comportamiento en lugar de una organización de salud del comportamiento (BHO) regional.

El tratamiento de la salud del comportamiento en una clínica está disponible a través de Wellpoint. Para acceder a estos servicios, comuníquese con nosotros directamente.

North Sound comenzará el cuidado administrado integrado el 1 de Julio de 2019.

Tres regiones esperarán combinar la salud física y del comportamiento el 1 de Enero de 2020. Estas son:

- Great Rivers
- Salish
- Thurston-Mason

To find out more about your benefits, go to [wellpoint.com/wa/medicaid](http://wellpoint.com/wa/medicaid).

### **How to choose your PCP**

Apple Health and Apple Health Integrated Managed Care members need a primary care provider (PCP). This is your main doctor who will give you most of your care. We can help you choose your PCP. Use this directory to find a PCP nearby who accepts new patients. If you need help finding a PCP, you can:

- Call Member Services at 833-731-2167(TTY 711).
- Search for a provider using our online **Find a Doctor** tool at [wellpoint.com/wa/medicaid](http://wellpoint.com/wa/medicaid).

Your PCP will:

- Give you all the basic health services you need.
- Send you to other doctors or hospitals when you need special healthcare.

### **How to get OB/GYN services**

You can see a plan OB/GYN without a referral from your PCP for services like:

- Well-woman visits.

You may also be able to choose an OB/GYN as your PCP. Call Member Services at 833-731-2167 (TTY 711) and tell us the name of the OB/GYN you want as your PCP.

### **How to help your children stay healthy**

Babies and children need more care to get a good start in life. That's why it's important for children to get well-child checkups on time. Your member guide tells you how often children should see their PCP for wellness visits. These visits also help doctors find health problems early when it's easiest to take care of them. During a wellness visit, your child will get things like:

- Physical exams
- Immunizations (shots).
- Tests for TB, lead, and other health problems.

- Choose **Find a Doctor** at [wellpoint.com/wa/medicaid](http://wellpoint.com/wa/medicaid) for our most current list of doctors.

### **How to get specialist care**

Your PCP will send you to other doctors (called specialists) or hospitals if you need special care. This is called a referral.

That means your PCP:

- Agrees you need special care for a specific condition.
- Will send you to a doctor that specializes in your problem, like a/an:
  - Allergist (for allergy problems).
  - Cardiologist (for heart problems).
  - Dermatologist (for skin problems)
- Make sure your specialist is in our plan so your care will be paid for.

### **Federally qualified health centers (FQHCs) and rural health clinics (RHCs)**

You can get services (like health screenings and shots for kids) from FQHCs and RHCs if they're:

- In our health plan.
- In your service area and you ask for these services.

You can get services from non-plan FQHCs or RHCs if a plan provider isn't in your service area. We also pay for behavioral health services given at an FQHC or RHC.

If you don't see an FQHC or RHC provider's name listed in our directory, you can visit [wellpoint.com/wa/medicaid](http://wellpoint.com/wa/medicaid) and use our online **Find a Doctor** tool or call Member Services toll free at 833-731-2167 (TTY 711).

You may go to any pharmacy in our health plan to get your prescriptions. Be sure to show your Wellpoint member ID card to the pharmacy. If you're not sure if a drugstore is in our plan, ask the pharmacist.

If you're sick or hurt and your doctor's office is closed, you can call an urgent care clinic for help. Our after-hours and urgent care providers and their hours are listed in this directory. In an emergency, always go to the nearest emergency room or call **911**.

## **Ancillary providers**

### **Dental services**

Dental benefits for Apple Health members ages 20 and younger and adults ages 21 and older are paid through fee-for-service Medicaid instead of Wellpoint. If you need help finding a dentist or have questions, call Medicaid Customer Service at **800-562-3022** (TTY **800-848-5429**).

Dental benefits for Apple Health members are limited to repair to the natural teeth or jaw due to accidental injury. See your Apple Health member handbook for information.

### **Get durable medical equipment or home healthcare**

A Wellpoint doctor must order all services, supplies, and gear.

### **Get transportation assistance**

For medical emergencies, call 911. Apple Health pays for transportation services to and from necessary, nonemergency physical and behavioral healthcare appointments. To learn more, visit [hca.wa.gov/transportation-help](http://hca.wa.gov/transportation-help).

## **Proveedores auxiliares**

### **Servicios dentales**

Los beneficios dentales para los miembros de Apple Health de 20 años y menores, y para los adultos de 21 años y mayores, están cubiertos a través de Medicaid con cargo por servicio en vez de Wellpoint. Si necesita ayuda para buscar un dentista o si tiene preguntas, llame al Servicio de Atención al Cliente de Medicaid al **800-562-3022** (TTY 800-848-5429).

Los beneficios dentales de los miembros de Apple Health se limitan a reparar los dientes naturales o la mandíbula a causa de una lesión accidental. Consulte su manual del miembro de Apple Health para conocer más detalles.

### **Obtenga equipos médicos duraderos o cuidado de la salud en el hogar**

Un doctor de Wellpoint debe pedir todos los servicios, suministros, y equipamientos.

### **Obtenga asistencia de transporte**

Ante emergencias médicas, llame al 911. Apple Health cubre los servicios de transporte de ida y vuelta a las citas necesarias de cuidado de la salud física y del comportamiento que no se traten de casos de emergencia. Para obtener más información, visite [hca.wa.gov/transportation-help](http://hca.wa.gov/transportation-help).
